Flat Head Square Drive Machine Screws

Pkg. Qty. 100 pcs. (** = 50 pcs.)

Square drive screws are provided in the following styles; machine, self-drilling, tapping and wood screws.

ADVANTAGES of Square Drive

FAST SECURE DRIVING - The driver centers itself and resists riding out

HIGH SECURITY - Can only be removed with a square driver bit

HARDENED STEEL - Much stronger than conventional steel

Drivers and bits are listed on page 1 of this section
